Bamburgh

Outchester and Ross Farm Cottages

Outchester and Ross are in unique, secluded, coastal locations in one of the most beautiful areas of Northumberland between Bamburgh and Holy Island.

Our cottages are all warm, comfortable and well equipped – each with its own private garden, parking for two cars and secure cycle stand or store. We can supply delicious fresh Lindisfarne oysters from our oyster-beds.

Ross is at the end of a country lane and a footpath leads onto a clean sandy beach three miles long, and from Outchester the beach at Bamburgh is a short drive away. Visiting the Farne Islands and Alnwick Gardens, cycling along our quiet country roads and exploring this area on foot, are all popular activities.
